APPLICATION FOR MEMBERSHIP – NOTES

Details of CIRM membership, fee structure and procedures are set out in the Articles of Association (as amended to 22 April 2017) **which should be read in their entirety before signature**. New applications are subject to ratification by the Membership at the next Annual General Meeting. Criteria for membership are normally applied as follows:

Full membership: open to any private organization or company being a corporation which is in the manufacture, service or operation of radiocommunication, navigation systems or equipment generally and who are not subject to government control.

Associate membership: open to any organization or company being a corporation which does not comply with the full membership criteria above and who have an interest in the field of maritime electronics and may be subject to government control. Associate members have no voting rights within the CIRM community.

Note: Should ownership of the company signing this application form transfer to another company by way of purchase, merger or similar, this membership (if successful), will automatically transfer to the new owner.

Fees explained: A system of **multiplying 'units'** is used to calculate membership fees. One unit is currently set at **£875.00** (plus VAT where applicable). This figure is reviewed annually by the membership at the AGM.
